

# DHEERU RAJPOOT

---

Web Developer ( [Dheeru.org](https://dheeru.org) )

Uttar Pradesh, India | +91-9026315148 | [rajpootdheeru90@gmail.com](mailto:rajpootdheeru90@gmail.com) | [LinkedIn](#) | [GitHub](#)

## WORK EXPERIENCE:

---

**Full Stack Developer Intern** | May 2024 - June 2024

Contributed to the development of web applications by working on both frontend and backend technologies. Collaborated with a team to implement features, debug issues, and optimize performance. Gained hands-on experience with modern frameworks and tools, enhancing coding skills and understanding of full stack development.

## RELEVANT PROJECTS:

---

**DR Store** | Skills: NodeJS, MongoDB, ReactJS, ExpressJS, RTK | [GitHub](#)

- **MERN E-Commerce Platform:** Built a full-fledged e-commerce site using MERN stack with Razorpay integration for seamless payments.
- **Custom Admin Panel:** Developed a user-friendly admin panel for efficient management of products, categories, brands, orders, marketing and customer support.
- **Responsive Design:** Ensured optimal user experience across devices through responsive design principles.
- **Secure Payments:** Integrated Razorpay for secure and reliable payment processing.
- **Version Control:** Managed codebase efficiently using Git for version control.

**Hello : Social Media** | Skills: NodeJS, MongoDB, ReactJS, ExpressJS, RTK | [GitHub](#)

- **MERN Social Media Platform:** Created a dynamic social media site using the MERN stack, empowering users to create posts, share photos, and connect with friends.
- **User Interaction Features:** Implemented features for users to follow/unfollow friends, facilitating seamless social networking and engagement.
- **Post Creation and Sharing:** Developed functionality for users to create and share posts, fostering content creation and community interaction.
- **Secure User Authentication:** Implemented secure user authentication mechanisms to protect user data and privacy.
- **Responsive Design:** Ensured optimal user experience across devices through responsive design principles.
- **Version Control Management:** Utilized Git for efficient version control and collaborative development.

## TECH SKILLS:

---

Programming:	JavaScript, Java
Web Technologies:	HTML, CSS, Tailwind, JWT, BcryptJS, RTK, ExpressJS, Bootstrap
Databases:	SQL, MongoDB
Frameworks:	NodeJS
Libraries:	ReactJS
Other Tools:	Git, GitHub, Postman, Thunder Client, VS Code

## EDUCATION:

---

Pursuing Master of Computer Application | Mangalayatan University | India | 2023 - 2025

Intermediate (10+2)th | Jawahar Lal Nehru Inter College | 77% | Uttar Pradesh, India | 2019
